

**Statement of Agreement  
For the Use of Facilities as Mass Immunization / Prophylaxis Center**

This agreement is made and entered into between Miami University, Butler County, State of Ohio and the Butler County Health Department (BCHD).

**Recitals**

Pursuant to the terms of Ohio Revised Code statutes, the BCHD provides public health care, including emergency services in behalf of individuals and families who are potential victims of infectious disease outbreak or disaster. The Miami University Physical Facilities Department is authorized to permit the BCHD to use the facilities, equipment and grounds for administering and/or dissemination of pharmaceuticals and information required in the conduct of BCHD activities, and wishes to cooperate with the BCHD for such purposes.

The parties hereto mutually desire to reach an understanding that will extend to the extent of its ability and upon request by the BCHD, the use of facilities by the BCHD as a Mass Immunization / Prophylaxis Center for the victims of infectious disease outbreaks, bio-terrorism incidents, or other disasters.

2. The BCHD agrees that it shall exercise reasonable care in the conduct of

its activities in such

facilities and further agrees to replace or reimburse the Facility for any supplies or materials that  
may be used or destroyed by the BCHD in the dem
