

The program of and major in Information T

Information Technology professionals apply their skills and knowledge to provide technological solutions for those using systems to produce, store, retrieve, analyze and send information. The BSIT program provides a broad foundation of knowledge in IT problem solving as well as a concentration of the student's choosing. Concentration areas include network administration, software development, agile practices, or a self-designed concentration with departmental approval. Graduates can pursue a wide variety of careers ranging from but not limited to:

- IT Business Analyst
- IT Infrastructure Support Specialist
- Software Support Specialist
- IT Consultant Technical Project Manager
- Agile Project Owner
- Network Administrator

Students must earn a minimum of 124 credit hours, achieve an overall GPA of 2.0 and a 2.0 in Information Technology major courses in order to qualify for graduation. Students should consult with their degree audit and advisor to ensure that all degree requirements are met prior to graduation.
