

Students graduating with a Bachelor of Integrative Studies are well suited to enter into the 21st century workplace. Many graduates use their degree as the foundation for their professional career, while others gain the opportunity for advancement. Graduates are also prepared for a graduate program.

Students must earn a minimum of 124 credit hours, achieve an overall GPA of 2.0 and a 2.0 in courses required for the major in order to qualify for graduation. Students must earn at least a C- in BIS 201 and BIS 301.
